**Compliance with Supervision Conditions and Prior Interventions:**

Mr. Chomsavanh was sentenced to time served and released on November 30, 2011. He is scheduled to terminate supervision on November 29, 2014. He was taken back into custody on a detainer with U. S. Immigration and Customs Enforcement on December 1, 2011. He was released from the detainer on March 27, 2012. He was referred for a substance abuse assessment on March 28, 2012. The assessment was completed on April 24, 2012, and substance abuse treatment was recommended. He began treatment on May 9, 2012, and he is still enrolled in treatment at this time.

Mr. Chomsavanh was employed with Jani King from September 2012 until March 2013. He has remained unemployed to date.

A report was submitted to the Court on January 4, 2013, to inform that Mr. Chomsavanh tested positive for Methamphetamine on December 17, 2012, and missed substance abuse treatment on two occasions. As a result of the positive drug test, his drug testing and substance abuse treatment were both increased.

A report was submitted to the Court on January 25, 2013, to inform that Mr. Chomsavanh tested positive for Methamphetamine on January 2, 2013. Since January 2, 2013, all drug tests results have been negative for illegal drug use.

As a result of Mr. Chomsavanh's positive drug tests and more recent failures to report for drug testing, a modification to his conditions is requested in order to increase substance abuse treatment, if it becomes necessary. He is agreeable to the proposed modification of his release conditions.

**U.S. Probation Officer Recommendation:**

It is recommended that the offender's release conditions be modified as indicated.

The U. S. Attorney's Office has been advised of the offender's noncompliance and the probation officer's request for the proposed modification.
